A shareholder is entitled to appoint one or more person(s) to be his/her proxy or proxies. A proxy may or may not be a shareholder of the Company. **Any alteration made to this revised proxy form must be initialled by the person who signs it.**
- Important: If you wish to vote for a resolution, please place a "✓" in the box marked "FOR". If you wish to vote against a resolution, please place a "X" in the box marked "AGAINST". If you wish to abstain from voting, please place a "X" in the box marked "ABSTAIN".** Any abstain vote will be counted in the calculation of the required majority. Failure to complete either of the above mentioned boxes will entitle your proxy to cast your vote(s) at his or her discretion. Unless you have instructed otherwise, your proxy will also be entitled to vote or abstain at his or her discretion on any resolution properly put to the AGM other than those referred to in the notice convening the AGM.
- Please note that according to Article 10.3 and Article 13.3 of the Articles of Association of the Company, cumulative voting system shall be adopted for the election of directors and supervisors of the Company at shareholders' general meetings, and the election of executive directors and independent non-executive directors of the Company shall be voted separately. When you fill in the boxes marked "By way of cumulative voting", please complete them in accordance with the following instructions:
 - In relation to resolutions numbered 14.1 to 14.6, resolutions numbered 15.1 to 15.3 and resolutions numbered 16.1 to 16.2, each voting share held by the shareholders carries votes equivalent to the total number of executive directors, independent non-executive directors or supervisors to be elected at the shareholders' general meeting, and the number of votes which a shareholder is entitled to cast is equal to the number of shares held multiplied by the total number of executive directors, independent non-executive directors or supervisors to be elected. For example, if you are holding 10,000 shares, and 6 executive directors, 3 independent non-executive directors and 2 shareholder representative supervisors will be elected, the aggregate number of votes which you will have for resolutions numbered 14.1 to 14.6 will be 60,000 (10,000 shares x 6 = 60,000 votes), the aggregate number of votes which you will have for resolutions numbered 15.1 to 15.3 will be 30,000 (10,000 shares x 3 = 30,000 votes) and the aggregate number of votes which you will have for resolutions numbered 16.1 to 16.2 will be 20,000 (10,000 shares x 2 = 20,000 votes).
 - "For", "Against" and "Abstain" will not adopted as alternative options under cumulative voting system. Please fill in the boxes marked "By way of cumulative voting" with the number of votes you intend to cast on executive directors, independent non-executive directors or supervisor candidates. Please note that the votes of a shareholder may be casted on one executive director, independent non-executive director or supervisor candidate or may be casted on different executive director, independent non-executive director or supervisor candidates, provided that the number of votes casted by each shareholder for the election shall not exceed the highest number of cumulative votes. For example, if you are holding 10,000 shares, the aggregate number of votes which you will have for resolutions numbered 14.1 to 14.6 will be 60,000. You may choose to cast the 60,000 votes equally amongst 6 executive director candidates, or to cast all your votes on a single executive director candidate, or to cast 20,000 votes on each of executive director candidates A, B and C and not cast any vote on the other executive director candidates.
 - Please note that when the total votes casted by you on some executive director, independent non-executive director or supervisor candidates exceed the total votes to which you are entitled, all the votes casted will become invalid and be regarded as abstain votes. When the total votes casted by you on some executive director, independent non-executive director or supervisor candidates are less than the total votes to which you are entitled, the votes casted are valid and the remaining votes will be regarded as abstain votes.
 - Whether an executive director, independent non-executive director or supervisor candidate is elected depends on the number of votes received, but the number of votes received by each elected executive director, independent non-executive director or supervisor must exceed half of the valid voting shares (based on the number of shares on a non-cumulative basis) held by shareholders present at the general meeting.
- This revised proxy form must be signed by you or your attorney duly authorised in writing or, if the appointor is a corporation, must be executed under its common seal or under the hand of an officer or attorney of the corporation duly authorised in writing.
- Where there are joint registered holders of any share(s), any one of such persons may vote at the AGM, either personally or by proxy, in respect of such share(s) as if he were solely entitled thereto, but if more than one of such joint holders are present at the AGM, personally or by proxy, then one of the persons so present whose name stands first on the register of members of the Company in respect of such share(s) shall alone be entitled to vote in respect thereof.

- Completion and delivery of this revised proxy form will not preclude you from attending and voting at the AGM or any adjournment of such meeting should you so wish and, in such event, this revised proxy form as previously submitted shall be deemed to be revoked.
- If you have not yet returned the original form of proxy which was despatched by the Company to you on 3 June 2024 ("**Original Form of Proxy**") sent together with the Notice in accordance with the instructions printed thereon, and wish to appoint a proxy to attend the AGM on your behalf, you are required to submit this revised form of proxy.
